

Shooks Stoneworks is a family owned and operated business. We specialize in residential and commercial masonry work. Our business is based in the beautiful mountains of Brevard, NC. We are small enough to give you the personal attention you deserve, but have the manpower to take on your biggest jobs.

For 20 years, Shook's Stoneworks has been providing western North Carolina with all types of natural stone work. We specialize in the installation of natural and manufactured stone for the interior and exterior of your home, and can create breathtaking hardscapes including waterfalls, retaining walls, patios and walkways. If you can dream it, we can do it!

Attention to detail, prompt service and great customer relations set us apart from the rest. Your satisfaction is our number one priority, and we are easily accessible to our clients, open to your suggestions and concerns. Whether you're looking for traditional or modern design we deliver quality.

Call us today at 828-883-4943.

Shook's Stoneworks offers many different types and styles of custom masonry work. Please come by our rock yard or call for a free onsite estimate.
